

SCHEDULE & MAINTENANCE OF TRAFFIC

Maintaining traffic flow during construction is a priority for I-15 CORE. For the majority of construction, four lanes in both directions will be open north of University Parkway and three lanes in both directions will be open south of University Parkway. Exceptions include short periods of time for paving operations and work underneath the Provo Center Street and University Avenue interchanges.

Maintenance of Traffic (MOT) Phasing

Key Milestones

Construction of I-15 CORE is scheduled to be completed by December 2012, two years ahead of the requirement.

January 2010

Notice to Proceed #1
(Design and Pre-construction)

June 2012

Scheduled Phase 1 Completion
(Lehi Main St to Pleasant Grove)
